

**Regulatory responses to the global financial crisis in the EU  
and US:  
Implementation and enforcement of retail financial  
services regulation**

*Wednesday, 27 January 2016, 14:30 - 17:45  
European Parliament, Room A5E-2  
Altero Spinelli building*

The side event will examine post-crisis responses by regulatory authorities on both sides of the Atlantic to better protect consumers of financial services and discuss the way forward in the implementation and enforcement of financial services regulation

**The event will be followed by a cocktail reception.**
